CS PhD Application Areas of Interest
- Architecture
- Cognitive Science
- Computer Vision
- Data Analysis
- Databases
- Graphics
- High Performance Computing
- Human-Computer Interaction
- Intelligent Systems/Al
- Learning Sciences and Technologies
- Machine Learning
- Modeling and Simulation
- Networking
- Numerical and Scientific Computing
- Programming Languages and Compilers
- Robotics
- Security and Cryptography
- Software Engineering
- Systems
- Theory

HCC PhD Application Areas of Interest
- Cognitive Science
- Human-Computer Interaction
- Intelligent Systems/Al
- Learning Sciences and Technologies
- Social Computing

CSE PhD Application Areas of Interest
- Numerical and Scientific Computing
- Data Analysis
- High Performance Computing
- Machine Learning
- Modeling and Simulation

Robotics PhD Areas of Interest
- None needed

Bioinformatics PhD Areas of Interest
- None Needed

Bioengineering PhD Areas of Interest
- None Needed

ACO PhD Areas of Interest
- None Needed
